

Capture~ the Moments

Choosing the perfect photographer is totally a unique experience. We hope you choose wisely. Remember the finished product should be what you want. We've already looked at many Photographers & Videographers and we personally have some favorites we can recommend. Each couple is different so we rather meet with you to better advice.

When selecting anyone for your Big Day know your style and do your research.

Look over your contract and know your package.

Don't forget to compare prices and make sure you get what you want. Make sure they have your available date. You want someone you can mesh with. Most of all you want someone you can work with. And remember to have fun.....
